HISTORY IN THE TYING

With Arrow's Dynamic Duo

Susan Blair perpetrates some sexy lingerie bondage on her deserving friend Sally Roberts. These two have teamed up in literally dozens of bondage videos over the past few years. This delightful photo sequence is from their early years, but if you think these ladies have retired, guess again! Sweet Sally will be making a comeback in the upcoming video release "Reflections: A Bondage Love Story."

“CLARISSA”

Who wouldn't love her?

In Bondage Life 28 there was an unusual article titled “Who Will Love Clarissa?” It told the story of an attractive young woman whose bondage lover had passed away and who was now searching for a man who could take his place. Since Love Bondage and the need for it was an integral part of her, she appealed to the bondage community hoping that somewhere there was another man with the right combination of strength and sensitivity to fill her needs and offer her a complete, loving relationship. While there have been responses, she has not yet found the man she is looking for. We at Harmony sincerely hope that, through this series of features, we can help this special lady find fulfillment.

AFTER THE PROM, THE QUEEN WORE ROPE

The auditorium was dark, the hoopla over, the revellers all gone home . . .

This photo set was sent to us anonymously. Most likely sold commercially as part of one of those “photo-packs” that are rarely available anymore, it represents a chapter of bondage history that is now drawing to a close . . .

Mory's orner

This talented artist earned his place in the annals of bondage history early. His drawings appeared regularly in Irving Klaw's publications during the forties and fifties, and was obviously a major influence on some more contemporary bondage artists like Stanton and Jim. We have dedicated this department to his work, and will continue to feature his drawings in each issue of Photo Treasures until we run out of drawings, some time around 2047 . . .

SIXTIES-STYLE BONDAGE BY HANBY DOWNS

The color counterparts of these bondages appeared in Hanby's own magazine, *Amateur Bondage* 7. Now that the black-and-white photos have been made available to us, we present them for you here.

NOTE TO NEW CUSTOMERS:
First initial requests for monthly Harmony brochures are sent for the three most current months. Customers subsequently placing orders for our materials are then sent all of our previous brochures, usually representing 3 years or so. Customers not purchasing the equivalent of at least 2 magazines within six months of being sent their first brochures are dropped from our mailing list.

TERRIFIC TAWNY

Magnificent blonde amazon Tawny Addams is transformed by the magic of bondage from a lioness into a kitten. Does the change please her? Just look into her eyes . . .

J. R. DOES IT AGAIN

Just when you think there's nothing new under the sun, The Master of the Bizarre comes through with something completely different.

EQUESTRIENNE IN BOOTS AND ROPES

Once again, bondage photography team JayDee captures their favorite model Kiri Kelly . . . on film

Tightly tied, gagged and topless, Kiri's volcanic sexuality boils to the surface . . .

Ah, Laurel, you're such a quiet girl
I'm sure we'll get along famously
But oh, you're such a naughty girl
To show your knickers so shamelessly!

THE HARMONY PHILOSOPHY

What is most discouraging to us about this business are the prevailing social misconceptions concerning bondage, at least the benevolent, romantic type of bondage that we produce. For the unenlightened, what we represent and advocate really needs to be clarified. In that spirit, the following general explanation is at least a start.

It has never been nor will it ever be our purpose to depict women as mere subordinates to men. These pictures and articles are not about that. The materials we produce are carefully and, we think, obviously designed for men and women to whom bondage is an important *mutual* diversion, a recreational and benevolent experience, a fantasy with a happy ending, a good-natured game in which everybody wins.

It is not the pleasure of our patrons nor our intention to offend or demean or abuse or exploit or disadvantage, be aggressive against, or cause even the slightest pain to our models, or to suggest that such is occurring to the ladies they are portraying. We do not characterize victims; we characterize *lovers* who are mutually involved in a complex and bizarre, but highly stimulating personal activity. The taste we reflect is *mutually* exciting and pleasurable — the bondage can be for the sake of sexual teasing or foreplay; or the acting out of a benign rescue fantasy with slightly juvenile undertones; or just the sweet and secret, simple sharing of a very special physical intimacy between caring persons. Whichever of these it is, we have characterized it on our pages as "Love Bondage."

While we cannot police the motives and psyches of our customers, we can and do shape our materials for completely benevolent natures only — either the adult who was imprinted during adolescence by the thrilling and heroic adventure story rescue of a bound and gagged and ultimately loving female, or the male or female adult whose basic nature identifies with the female in bondage and craves to personally experience those same offbeat sensations for either deeply psychological reasons, or, to state this in the simplest possible terms, *because it actually feels good, safe and comforting even.* He or she is wrapped up tightly and snugly, there is a

feeling of being protected, and the rope becomes surrogate for a protective lover's arms. It is to please and satisfy those two natures, and they alone, that we create these visual fantasies.

Conversely, those persons in search of darker, less pleasant bondage themes must look elsewhere, for there is really nothing for them here. Our materials are just not for people who enjoy scenes of human mistreatment. If such people do show up on our mailing list from time to time, they certainly have no reason to linger, since what they are seeking is probably the exact spiritual opposite of what we have to offer.

Good drama does not exist without conflict, and there will necessarily be the blending of bondage with actual danger in some of the text fiction that we publish. But these situations will be so obviously far-fetched or tongue-in-cheek that they are clearly not to be taken any more seriously than a comparable paperback tale or television episode containing the same elements. But in all of the photos that we present, be they from contributors or our own associates, the woman is there willingly, even gladly, and for her own reasons. Were she not, we would not publish the picture.

Therefore, the bondage that is dramatized here is an essentially gentle act used by lovers to intensify their physical and spiritual closeness. She gets to belong utterly to someone she loves, and to be adored for what he perceives as the prettiness of her dependency on him. She has surrendered for him that part of her independence she *doesn't* want. They are fortune-blessed soulmates, theirs is completely a mutual act of trust, love, appreciation of themselves and each other. And the readers who look on perceive her bondage as physically and spiritually pleasing to her — she knows that it has more to do with being wanted than abused. Were that not the case, we would ourselves be offended.

Our bondage has absolutely nothing to do with demeaning anyone. It is totally and utterly a bilateral activity, and, were it not, we wouldn't have anything to do with it.

CLOSET BONDAGETTE

Judith Wilson demonstrates her fine sense of drama in this early photo sequence. In our humble opinion, this is Judith at her sexiest — but don't take our word for it — see for yourself!

TOGETHERNESS

In Bondage Parade 23 there appeared a story called "Artistic Interpretation," written by Jeff Sinclair, which was inspired by (and accompanied by) a set of photos taken by JAMM Productions, which were in turn inspired by a previous story by Sinclair. (Got all that?) Here we present a sequence that JAMM photographed, but that wasn't included in the story. These two appear to be having so much fun "JAMMed" together like that, one is inclined not to ask questions. One question does persist, however . . . where are her hands?

HIGH-FLYING COMICS BONDAGE WITH BRICK BRADFORD (CIRCA 1946)

Brick Bradford, two-fisted man-about-galaxy and Space Cowboy, a lesser-known contemporary of Flash and Buck, had his share of distressed damsels to rescue. In this choice sequence, Brick's heart-throb is bound in her boudoire by an old witch, lowered out the window to the cargo hold of their wooden flying ship, stuffed into a basket, then hoisted like a flag fifty feet above the deck so the witch can get the "drop" on Brick. (Aren't comics wonderful?) Here also are several assorted bondage scenes from other episodes. As is often the case, this vintage comic had to find its way overseas, be translated into Italian, and be discovered by our Roman friend Saudelli before it found its way into our hands; so unless you read Italian, the dialogue is lost. Fortunately, bondage is a non-verbal art form . . .

ABOUT BONDAGE PARADE:
This magazine is truly "Bondage Life" without "Tielines" and "Bound for Hollywood." So if "Bondage Life" is a must for you, then so is "Bondage Parade," the magazine that is almost completely "By The People" and conveys a sense of how everyone else feels about bondage (and how everyone else looks in bondage). Probably the second finest bondage publication in the world today.

ABOUT BEAUTIFUL BONDAGE SCENES:
Soft visual fantasizations of "Love Bondage." New and unpublished "Damsels in Distress" pictures from Harmony and independent bondagers. The Harmony "Bound Beauties" on parade, mostly in lingerie bondage. Little if any text—but a generous assortment of pictures of the prettiest bondage models in the world today.
